General Information

TIME—12:30 p.m., Eastern Standard Time on Monday, October 27, 1952.

LOCATION—Strowan Farms, where the sale will be held is located 3 miles Southwest of Fredericktown, Ohio. Fredericktown is on State Road 13 between Mt. Vernon and Mansfield, Ohio, and on Route 95 from Mt. Gilead to Wooster, Ohio. To reach the farm from Fredericktown go $2\frac{1}{2}$ miles Southwest on the Old Columbus Road, then $\frac{1}{2}$ mile West. Strowan Farm is approximately 23 miles South of Mansfield and 50 miles Northeast of Columbus, Ohio.

HEADQUARTERS—Although there are good hotels and tourist cabins in the smaller towns near us, visitors from a distance may wish to stop at the Leland Hotel in Mansfield and we recommend it highly.

LUNCH—A lunch will be served at the farm at noon by the ladies of a local organization. Come early and inspect the cattle before the sale.

BIDS—Those wishing to buy at this sale but who find it inconvenient to attend may send buying orders to Hal Longley, the Sale Manager, 16 S. Locust St., Aurora, Illinois; Ned W. Place, Eastern representative of The Shorthorn World, Wapakoneta, Ohio; Herbert Rees, Eastern representative of the American Shorthorn Breeders' Association, Winchester, Virginia; Robert E. Schmidt, Fieldman, Ohio Shorthorn Breeders' Association, 2310 Terminal Tower, Cleveland 13, Ohio, or to the auctioneers.

AUCTIONEERS—J. E. Halsey and Stanley F. Perkins.

PEDIGREES—A certificate of registry will be furnished with each lot sold and the certificate will be transferred to the buyer without cost to him. Applications for registry, properly signed, will be furnished for each calf sold at foot beside its dam and for each unborn calf sold in dam.

TRANSPORTATION—Since this sale is to be held on Monday, we invite you to come a day early for a leisurely inspection of the herd. Those traveling by train or plane may come to Mansfield where we will be glad to meet them if advance notice is given.

Terms and Conditions

GUARANTEE—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition. The herd is under Federal Supervision for Tuberculosis. Calfhood vaccination for Bang's has been practiced for many years at Strowan Farms.

TERMS—The terms of this sale are cash unless arrangements are made in advance. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

HEALTH—Every possible precaution is used to guard the health of Strowan animals. All younger females in this sale have been calfhood vaccinated and the health certificates provided on sale day will be evidence of a clean health record. A 60-day Tuberculin retest will be allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go. Health certificates will be furnished with each lot sold.

Announcements from the auction box will take precedence over printed matter in the catalog.

LIABILITY—The above guarantee and terms shall constitute a contract between Dwight A. Griffith and the buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owner. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

INQUIRIES ABOUT CATTLE LISTED—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

Above is shown the Perth champion, Imp. Calrossie Mercury. Several of his granddaughters will sell in this sale and our herd bull, Circle M Royal Leader 7th, is out of one of his daughters. You will find that this sale is packed with excellent animals representing the Edellyn Royal Leader-Calrossie Mercury cross.

Study the records and you will conclude that Dwight A. Griffith, owner of the Strowan Herd, is one of America's top breeders. The cattle he has produced have rated high in the showrings of America and those he has sold have made profitable breeding records in the hands of their owners.

The pictures appearing in this catalog are indicative of the splendid type of quality of Strowan productions. The picture on the front cover of the catalog shows Strowan Sovereign Lady 2d and Strowan Sundial, both sired by Circle M Royal Leader 7th. Together they stood fourth in the strong pair-of-yearlings class at the 1951 International Live Stock Show.

Dwight Griffith has always used excellent sires and it is my opinion that the two now in service, Circle M Royal Leader 7th and Imp. Cruggleton Nyren are the best in the history of this herd.

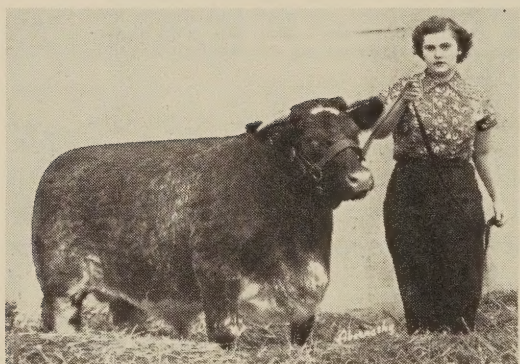

Study this catalog. Note how many families have been carried on profitably and improving constantly. The more you learn about these good cattle the greater number of them you will want to buy for your own herd.

Mary Kay Griffith and her 1950 club steer, Strowan Flash. He was the champion Shorthorn steer and the reserve grand champion over all breeds at the 1950 Ohio State Fair, after which he went on to the International Live Stock Show where he was the champion Shorthorn steer in the junior division.

Mary Kay Griffith and her 1952 steer with which she won the Shorthorn championship at the Knox County Fair in Ohio.

Caroline Artman, daughter of our herdsman, Alvin Artman, is shown here with an imported-in-dam bull calf that has been a top winner in our show herd this year. This calf is a son of Cruggleton Acheson, he a full brother to Cruggleton Account, the bull Les Mathers made champion at Perth in 1950.

Strowan Sundial, the sensational son of Circle M Royal Leader 7th that won third in class at the 1951 International. He was purchased in the International Congress sale at \$4,000 by Carl M. Johnson, Dekalb, Illinois. He is a full brother to Strowan's Royal Leader, Lot 5 in this sale.

Please note

Strowan Shorthorns won high honors at the 1952 Michigan State Fair. The grand champion bull and all of the members of the first prize three-bull group are to be sold in this sale.

Please note also

We call your attention to the Browns of Kentucky Sale at LaGrange, Kentucky, on Saturday, October 25th. CIRCLE M ROYAL LEADER 7th

Circle M Royal Leader 7th has done a great job in the Strowan herd. Included among his get are Strowan Sundial and Strowan Sovereign Lady 2d, the two outstanding individuals that won fourth prize in the class for pair of yearlings at the 1951 International Live Stock Show. He former sold at \$4,000 to Carl M. Johnson, DeKalb, Illinois, after winning third prize in the open summer yearling class. The latter sold at \$1,050 to Carson Gibson, Houston, Texas, after standing high in the junior yearling class. This sale contains seven bulls and five heifers sired by Circle M Royal Leader 7th and eleven cows with his calves at foot. After you see them you will agree that he is one of the great sires of the day.

CRUGGLETON NYREN

Cruggleton Nyren is our junior herd bull. He was imported by Reford Gardhouse who used him before selling him to us. His first bull calf was exhibited by Gardhouse at the 1952 Canadian National Exhibition and stood second in a strong class. Reford says of him: "I'm very keen on this calf. He has a wonderful head, very strong bone and a good body with it. He's a good kind and surely will be a good advertisement for you."

The first calves by Cruggleton Nyren have arrived and they exceed our fondest hopes. We will have several on exhibit sale day and a few cows in the sale will have his calves at foot. Fifteen heifers and two cows in the sale will carry his service. Note that his sire is by Cruggleton Willingdon and his dam is by Cruggleton Perfect. . . a perfect blood combination.

Strowan Sweepstake—We have never produced or offered a better bull than this very dark roan son of Circle M Royal Leader 7th. He was the grand champion bull at the 1952 Michigan State Fair and won this honor because of his remarkable depth, balance, good head and thickness of flesh. His dam is without doubt the best cow we ever owned and, as a special attraction, we have agreed to also sell her in this auction with an outstanding dark roan heifer calf at foot. Be very sure to see Strowan Sweepstake and his dam on sale day. Many top breeders have asked for a price on Strowan Sweepstake but we have held him for this sale. If you would like to own a 1952 grand champion, here he is.

He stood third in the strong summer yearling class at the Ohio State Fair and fourth in an equally strong class at the Michigan State Fair. His pedigree is very strong because he is out of a direct daughter of Imp. Pittodrie Upright, thus making him a grandson of two of the most famous bulls of the past quarter century. We recommend him highly.

Strowan Rodney—This attractive, dark roan, imported-in-dam calf should certainly appeal to some breeder who wants a promising individual backed up by prepotent old-world blood. Although he is only a junior calf, he looks like a real comer. His sire, West Drums Elordy, was a class winner at Perth in 1950 where he was purchased at 500 gns. by George Pitcaitly. Cluny Brave Rodney was a Perth reserve champion in 1947 and sold at 3200 gns. His sire, Ballechin Rodney, was Perth champion in 1944. There is much to recommend this calf and we hope he will go to an appreciative buyer.

He is a son of Leader's Royal Sultan, the Ohio State University bull that stood first in class at the International Show in Chicago and won the grand championship among the International Congress sale bulls, later selling at \$3,700 to Roy Peringer, Belmont, Washington. The dam of Strowan Symbol, was a full sister to the bull Leader's Symbol 10th that Ohio State University sold in the 1950 International Congress sale to Arion Christenson, Kirkman, Iowa, at \$1,325.

Strowan Sovereign Lady 2d, by Circle M Royal Leader 7th. Bought by Carson Gibson, Houston, Texas, for \$1,050. She was bred by Strowan Farms and sired by Circle M Royal Leader 7th. She is out of the same cow as bull Lot 10 in this sale.

Elmhurst Rosella 5th—This has been a great family wherever they have gone. This daughter of Imp. Pittodrie Upright produced a very good heifer calf for us that we had the misfortune to lose. She is in calf again since July 1, 1952, to the service of Imp. Crugleton Nyren.

A Word About Broadfields Butterfly 4th

When you see her on sale day you will agree that there are few better cows in America. She is a feature in this sale and will be the top individual in the herd of her new owner. This cow is the dam of Strowan Sweepstake, the best bull in this sale. She will sell with an outstanding dark roan heifer calf at foot born August 11, 1952, and sired by Cruggleton Nyren. We want you to be sure to inspect this heifer calf because it will provide evidence of what you may expect from the many other females in the sale carrying his service. This cow is at the prime of her life. She is a daughter of Broadfields Air Pilot and her dam, a daughter of Calrossie Sweepstake, was bred by James Durno in Scotland.

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhoo'd Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
